

Roof Top Solar System:

Rooftop Solar System can be used by the existing Consumers of TPSODL to register for Rooftop Solar Programs available in the website at

<https://www.tpsouthernodisha.com/>

Advantages/Features of Roof Top Solar System:

1. Helps in reducing power bills substantially.
2. Return excess solar energy produced back to the grid, for credit from your local utility company.
3. Tap into grid-based conventional energy when direct sunlight is not available (at night, or during winter, etc.), or during off-peak hours when conventional electricity rates are low.

Consumer Solar Registration process with screenshots:

First time applicants have to click on New Solar Registration and give valid Consumer No to apply for the program. (Screen No. 1)

The screenshot displays the TPSODL website interface for Rooftop Solar Registration. The top navigation bar includes the TPSODL logo, the text 'TP SOUTHERN ODISHA DISTRIBUTION LIMITED (A Tata Power and Odisha Government Joint Venture)', and a toll-free number '1912 / 1800-3456-797'. A 'Mail us' button is also present. The main navigation menu includes 'HOME', 'SOLAR PROGRAMS', 'SOLAR CALCULATOR', 'DOWNLOADS', 'FAQS', 'ABOUT US', and 'CONTACT US'. The left sidebar menu is expanded, showing options like 'New Solar Registration', 'Login', 'Check Status', 'Empanelled Vendors', 'User Manual', 'Important Link', 'Change Request', 'Cost & Subsidy', and 'Bill Of Materials'. The central content area features a 'SEARCH CONSUMER' section with a text input field for 'Consumer ID' and a 'Proceed' button. A red asterisk note below the button states '* Available Rooftop Solar Subsidy Capacity 4984 kW Only.' The browser's address bar shows the URL 'portal.tpscentralodisha.com:4114/RooftopSolarRegistration/home.jsp'.

Consumer needs to fill in all the required information on the registration page (Screen No. 2) along with uploading ID (Address proof) and latest electricity bill. After submission, system will send OTP to the consumer for completion of Registration process. Once OTP validated, consumer will receive Login ID though SMS as well as the same is display on the screen.

Upload Net Metering Agreement and Sanction Letter Documents (Screen No. 6).

The screenshot shows the TPSODL portal interface. The header includes the company logo, toll-free number (1912 / 1800-3456-797), and a navigation menu with links for Home, Solar Programs, Solar Calculator, Downloads, FAQs, About Us, and Contact Us. A left sidebar contains a menu with options: Complete Registration, Site Visit Report, Net Meter Agreement (highlighted), Completion Report, Joint Site Visit Report, Commissioning Report, and Logout. The main content area lists various downloadable forms: Download Identification Card, Download Latest Electricity Bill, Download Application Form, Download Money Receipt, Download Agreement Doc between Vendor and Consumer, Download Authorization Letter, Download Site Visit Report, Download Net Metering Agreement Form, and Download Sanction Letter Form. Below this list, a text prompt asks users to upload required documents in jpeg/png/gif/pdf format (max. size 500 KB). Two upload buttons are visible: 'Upload Net Metering Agreement (Form 3B)' and 'Upload Sanction Letter (Form 3A)'. A 'Home' button is also present. The footer of the page states 'Design & Developed by TP Discom's IT, Bhubaneswar.'

Fill up Completion report and upload required documents (Screen No. 7).

The screenshot displays the completion report form on the TPSODL portal. The header and navigation menu are identical to the previous screen. The left sidebar menu is also the same. The main content area is a form titled 'Approved Solar Installation Capacity (kW)'. It contains several input fields and dropdown menus for data entry: Approved Solar Installation Capacity (kW), Commissioning Date (dd-mm-yyyy), Total Cost (RS), CFA, Installed Capacity (KW) Roof, Installed Capacity (KW) Roof and Ground, Total Capacity (KW), Module Capacity (Wp), No. of Modules, Module Make and Serial no., Inverter Capacity (KW), INV Make ID (a dropdown menu currently showing 'Novergy Energy solutions pvt ltd'), INV Make other, Latitude, and Longitude. There is also a dropdown for 'Availability of Aadhaar Card' with 'No' selected. Below the form, the same list of downloadable forms from the previous screen is visible.

Upload Commissioning Report and required document to become TPSODL Solar consumer (Screen No. 8).

The screenshot shows a web browser window displaying the TPSODL portal. The browser's address bar shows the URL: `portal.tpcentralodisha.com:4114/RooftopSolarRegistration/complete_registration.jsp`. The page header includes the TPSODL logo (TP SOUTHERN ODISHA DISTRIBUTION LIMITED) and a toll-free number: 1912 / 1800-3456-797. A navigation menu contains links for HOME, SOLAR PROGRAMS, SOLAR CALCULATOR, DOWNLOADS, FAQs, ABOUT US, and CONTACT US. A left sidebar menu lists options: Complete Registration, Site Visit Report, Net Meter Agreement, Completion Report, Joint Site Visit Report, Commissioning Report, and Logout. The main content area lists several downloadable reports: Download CEIG Inspection Report, Download Work Completion Report, Download SLD and Plant Layout of Solar plant, Download Drawing and Documents of Equipment, Protection & Control features, Download Data Sheets of the Equipment's, Download Under taking for DCR content, Download Details of Cells, Download Joint Inspection Report, Download Photo of Installed Plant, Download Photo of the Beneficiary, Download System Invoice To Beneficiary, and Download Joint Site Visit Report. Below this list, a text prompt reads: "Please Upload below required documents in jpeg/png/gif/pdf format (max. size 500 KB) :". A specific upload instruction is provided: "Upload Commissioning and Synchronization report (Form 7)". A "Home" button is located at the bottom of the main content area. The footer of the page states: "Design & Developed by TP Discom's IT, Bhubaneswar."
